WASHINGTON, D.C. 20500

October 29, 1982

Dear [REDACTED]

25X1

Dr. George A. Keyworth, II, Science Advisor to the President has asked that I express to you his sincere appreciation for the prompt and excellent work you and your colleagues did last weekend in preparing poster-board charts to use by Dr. Keyworth in his presentation to the President and the Cabinet Council on Commerce and Trade on Monday. The charts were of the highest professional quality and commanded the attention of the President and others in attendance.

We want to thank you for your responsiveness to our need for large, high quality, graphics on very short notice. You and the other members of the Computer Graphics and Animation staff were a pleasure to work with and delivered a quality product on schedule as promised.

Now that we know what you can do.....!

Best wishes.
